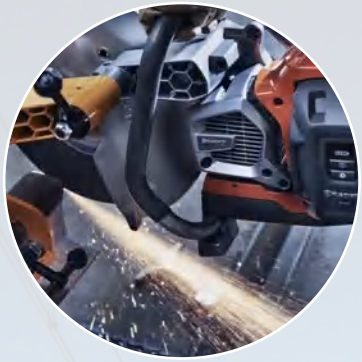
# Husqvarna K1 PACE Rail

## Battery powered rail cutting machine



- High performance
- More freedom
- Perfect right-angled cuts
- No carbon dioxide emissions during use
- Practical batteries (Part of the PACE battery system)
- Fast, easy and safe use

**To efficiently cut rail tracks, power, precision, and speed are essential.**

**K 1 PACE Rail** delivers all this and more by combining efficiency and a powerful motor with advanced technology – all while providing the convenience of battery operation.

**The X-Halt**™ braking function ensures reliable operation, while the excellent power-to-weight ratio guarantees optimal balance.

**K 1 PACE Rail** is specifically designed for work on railways, tram tracks, and subway systems. It cuts quickly and precisely, the accessory is easily mounted on the rail, and the dual mounts allow cutting from all angles.
